Where an employee transfers to an organization for which a different Deputy Ethics Official has responsibility, the employee must obtain approval from the new Deputy Ethics Official. (e) *Definition of employment.* For purposes of this section, "employment" means any form of non-Federal employment, business relationship, or activity involving the provision of personal services by the employee, whether or not for compensation. It includes but is not limited to personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher, or speaker. It includes writing when done under an arrangement with another person for production or publication of the written product. It does not, however, include participation in the activities of nonprofit charitable, religious, professional, social, fraternal, educational, recreational, public service, or civic organizations, unless such activities are for compensation other than reimbursement for expenses.
